You probably have a lot of old stuff just lying around your house. It's not doing anything but taking up space, but you're either too busy (or lazy), sentimental or just have more important things to deal with. Well if you're looking for a little inspiration or a new DIY project, here are 50 creative ways to repurpose, reuse and upcycle old things.

There's a pretty broad range in this list but hopefully a handful jump out and spark an idea for you and your home!
